

Kanlux

**NUOVA FAMIGLIA
DI PROIETTORI
HIGH BAY**

**Kanlux
HB PRO
STRONG**

Kanlux

The icon consists of a square border containing the letters 'IP' above the number '65'. To the left of the 'IP' is a small graphic of three leaves.

**IP
65**

Kanlux HB PRO STRONG

La nuova concezione di costruzione limita efficacemente la temperatura del proiettore e fornisce

alto grado IP(65).

The icon consists of a square border containing the number '10' above the letter 'IK'. To the right of the 'IK' is a small graphic of a hammer striking a nail.

**10
IK**

Protezione agli urti **IK 10**
(senza griglia IK08).

Kanlux

Kanlux HB PRO STRONG

up to
170
lm/W
